Natural, balanced, on time.

The character of IVI perfectly expresses the nature of the tap, focusing on the water supply without further additions, and is a classic in the expressive language of contemporary design.

The unique choice of **stainless steel** and the **attention to details** make the difference. As always in MINA.

Naturel, équilibré, ponctuel.

Le caractère d'IVI exprime parfaitement la nature du robinet, en se concentrant et c'est un classique dans le langage expressif du design contemporain.

Le choix unique de l'**acier inoxydable** et l'**attention aux détails** font la différence. Comme toujours dans MINA.

Naturale, bilanciato, puntuale.

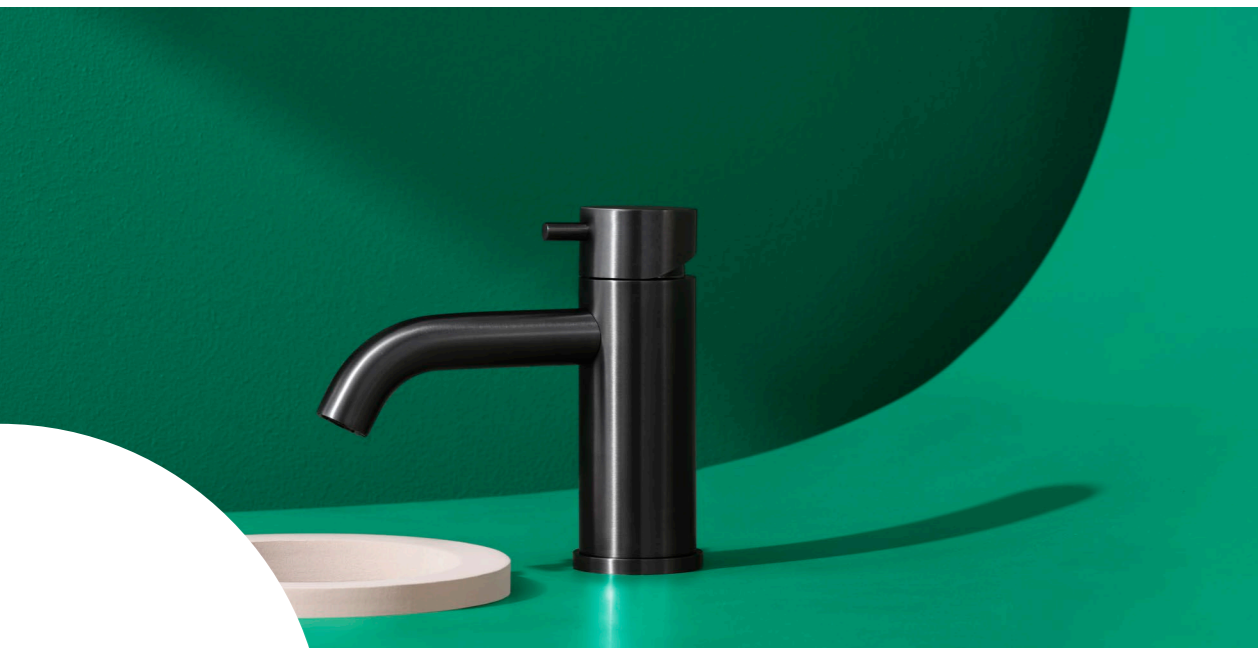

Il carattere di IVI esprime perfettamente la natura del rubinetto, concentrandosi sull'erogazione dell'acqua senza ulteriori aggiunte, ed è un classico nel linguaggio espressivo del design contemporaneo.

Sono la scelta univoca dell'**acciaio inox** e la **cura dei dettagli** a fare la differenza. Come sempre in MINA.

The IVI collection is made entirely of **AISI 316 L** stainless steel. Including recessed parts, accessories, and accessories.

In addition to the classic solution in **Brushed Steel**, where a meticulous brushing is performed piece by piece directly in MINA, the finishes are available **Deep Grey** and **Velvet Gold**.

A deep gray for those who prefer dark taps and a saturated and precious gold, obtained galvanically with 24K gold.

La collezione IVI est entièrement réalisée en acier inox **AISI 316 L**. Y compris les pièces encastrées, tous les accessoires et compléments.

En plus de la solution classique en acier brossé, où un brossage artisanal méticuleux est effectué pièce par pièce directement en MINA, les finitions **Deep Grey** et **Velvet Gold** sont disponibles.

Un gris profond pour ceux qui préfèrent les robinetteries sombres et un or saturé et précieux, obtenu galvaniquement avec de l'or 24K.

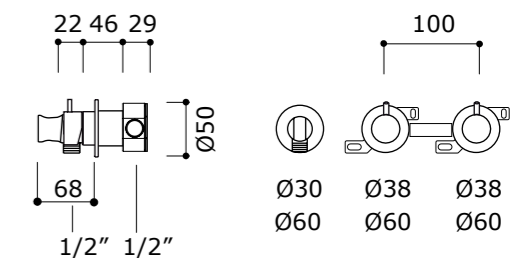

La collezione IVI è realizzata interamente in acciaio inox **AISI 316 L**. Compresa le parti ad incasso, tutti gli accessori e i complementi.

Oltre alla classica soluzione in **Acciaio Spazzolato**, dove una meticolosa spazzolatura artigianale viene eseguita pezzo a pezzo direttamente in MINA, sono disponibili le finiture **Deep Grey** e **Velvet Gold**.

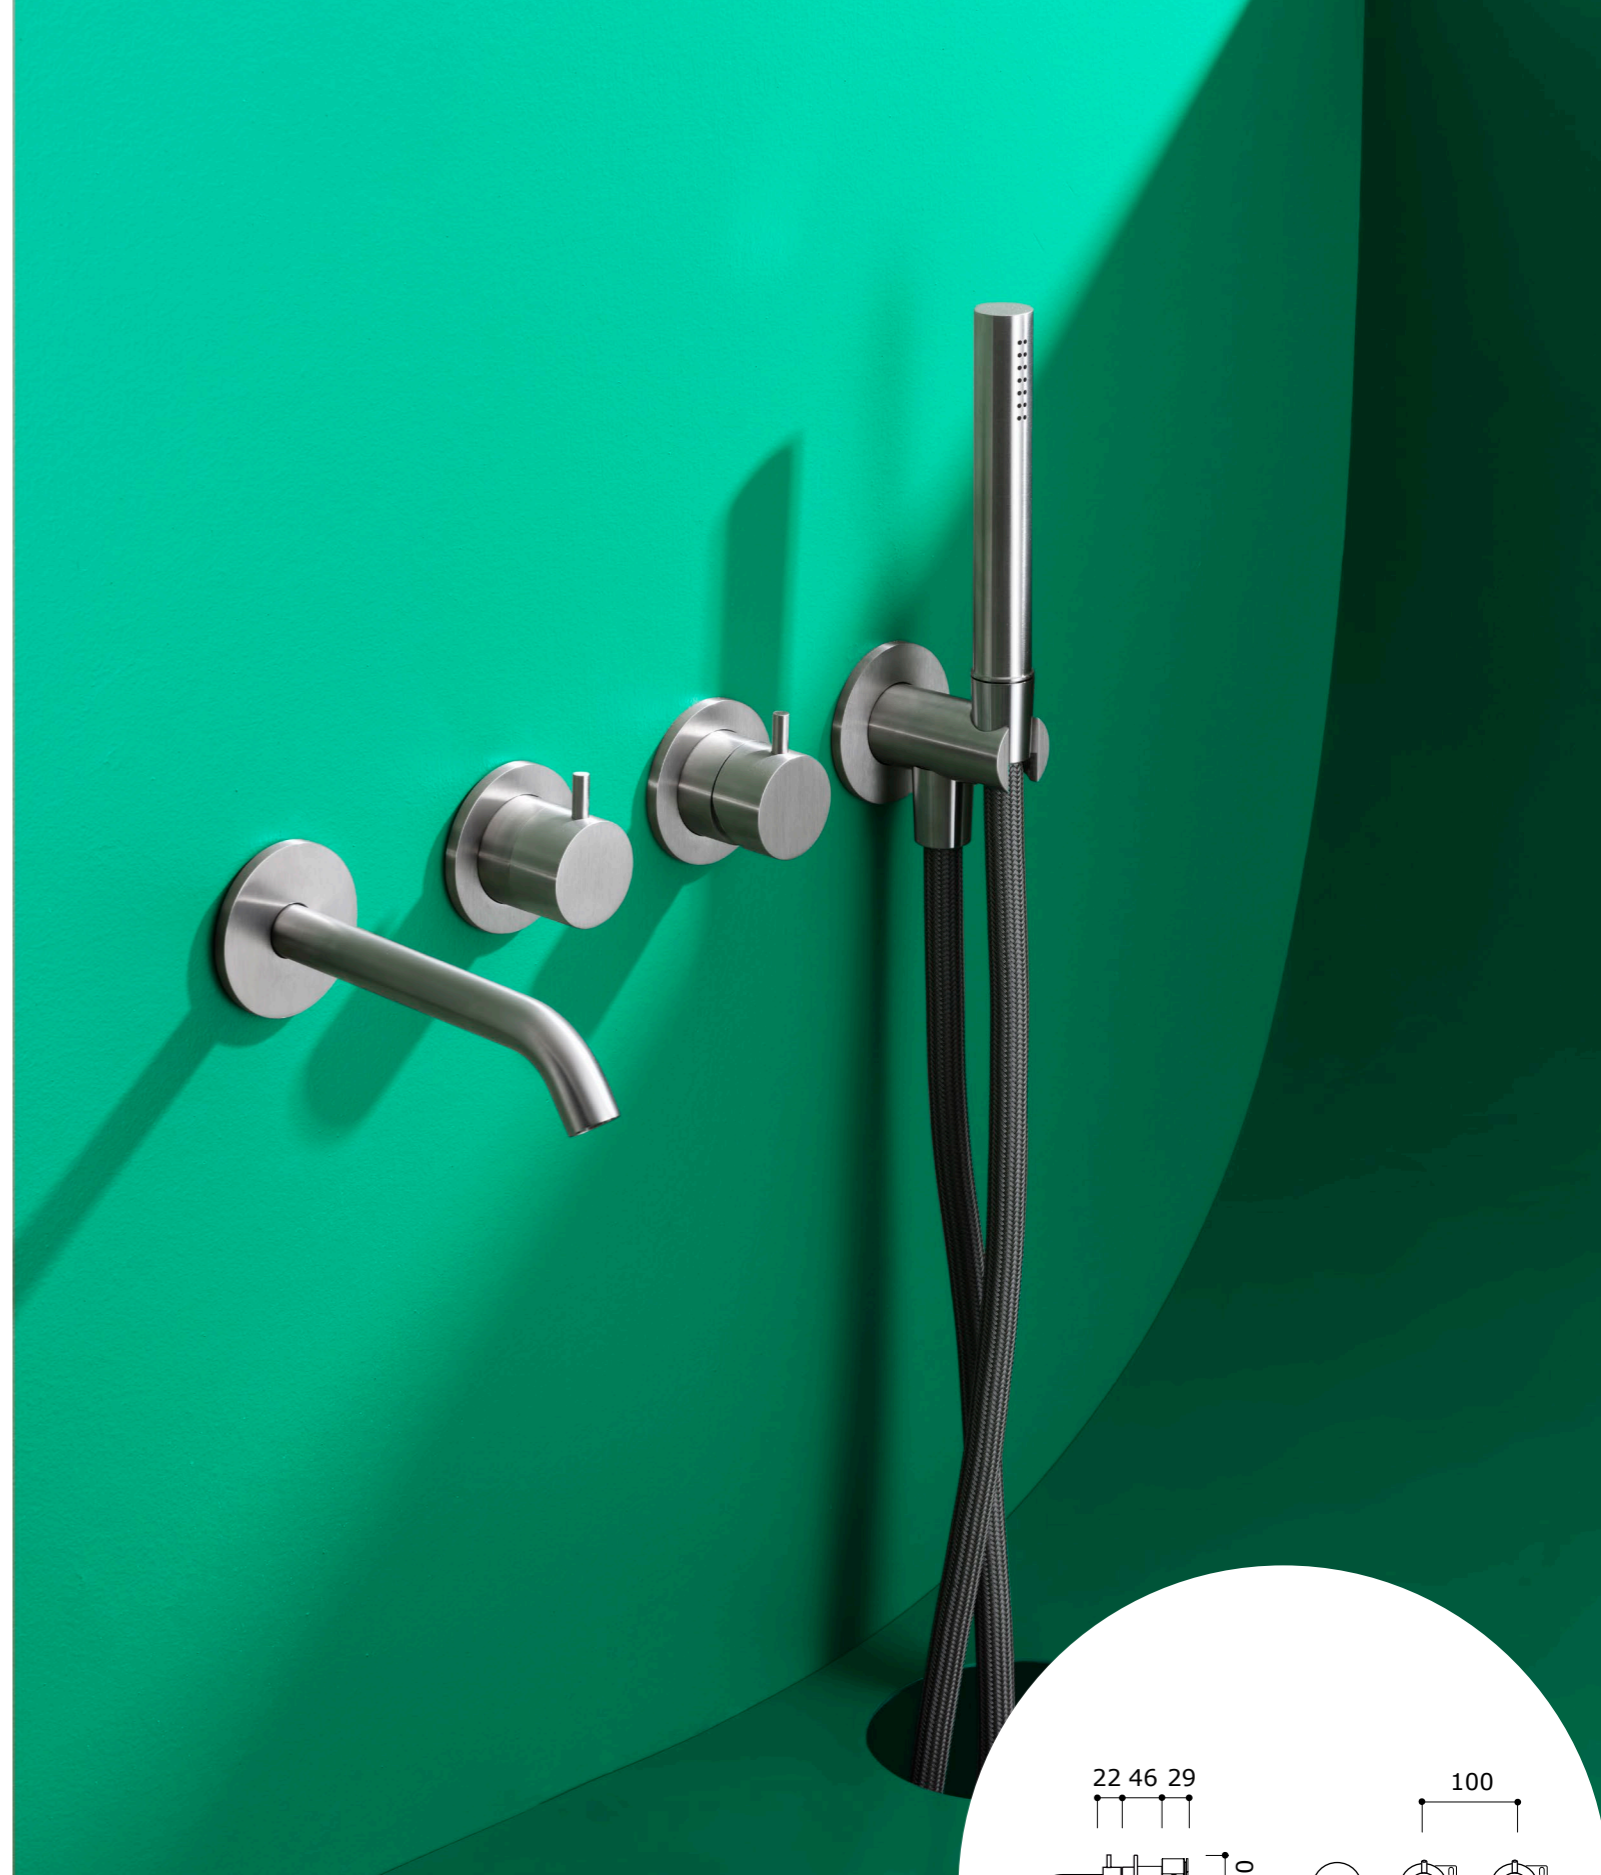

Un grigio profondo per chi predilige le rubinetterie scure e un oro saturo e prezioso, ottenuto galvanicamente con oro 24K.
